CALENDAR ITEM NO. **C28** (CONT'D)

2. On April 9, 2009, the Commission approved a 25-year General Lease – Public Agency Use with the city of Turlock (City) for the construction of a slope of gabions to support a new municipal wastewater outfall pipeline as part of the Harding Drain Bypass Project, and the temporary installation of a sheetpile cofferdam and placement of warning signs and buoys. Construction was anticipated to be completed by November 1, 2010; however, due to funding issues, no work has been done.
3. The City is now applying to amend the lease to revise the date by which construction must begin from June 1, 2010 to June 1, 2012 and the construction completion date from November 1, 2010 to November 1, 2012. The City plans to start construction in the Spring of 2011 but has requested additional time for construction in case of another unexpected funding delay.
4. An EIR SCH# 2003062002 was prepared for this project by the City and certified on May 24, 2005. California State Lands Commission staff reviewed the EIR and the Mitigation Monitoring Program prepared in conformance with the provisions of CEQA (Public Resources Code section 21081.6) and adopted by the lead agency. Findings made in conformance with the State CEQA Guidelines (Title 14, California Code of Regulations, sections 15091 and 15096) are contained on file in the Sacramento Office of the California State Lands Commission.
5. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq., but such activity will not affect those significant lands. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
